Are you looking for a new chapter in your mixed animal veterinary career? Discover the extraordinary at LAMC, an innovative rural mixed animal practice nestled in the heart of enchanting Eastern Colorado. Join our spirited team where every day is an adventure, and we thrive on making a difference. With two dedicated doctors, we prioritize your growth through personalized mentorship and support, always asking, "How can we help?"

Encounter the best of both worlds as you enjoy the camaraderie and excitement at LAMC. Our internal medicine, oncology, and dermatology specialists are just a phone call away during business hours, ready to assist with challenging cases. We understand that your life extends beyond work, and with a refreshing 4-day work week, you'll have ample time to relish the wonders of southeastern Colorado and its surroundings. Our collaborative approach ensures everyone gets the well-deserved time off, with on-call duties ending by 8pm because we value our sleep.

Curious about life in a small town? Lamar welcomes you with a myriad of seasonal sports teams, outdoor water recreation, and vibrant community events. LAMC boasts a modern small and large animal facility, equipped with Idexx in-house labwork, ultrasound, digital x-ray, and a dental x-ray unit. As the 6th highest county for beef production in Colorado, our impact extends far beyond our clinic walls.

Whether you're a fresh graduate or a seasoned professional, our position offers a production-based salary. Embrace a comprehensive benefits package, including medical, vision, dental insurance, 401k, liability insurance, continuing education, licenses, basic family leave, vacation and sick leave, and more. Explore opportunities for USDA VMLRP and Colorado Rural loan forgiveness.
